

JULY 2018

TODAY'S NEWS

CLUB UPDATE

Earl Skonberg – 541.229.2700

Membership Reminder – Membership renewals were due by the end of June, so for those of you who still have theirs sitting on their kitchen counter, your gate code may have already been turned off. Yearly fees remain at \$96. Reactivating gate codes requires a considerable amount of time and effort and can take at least a week before your gate code can be re-activated. ***Please don't wait!***

Annual Meeting – Thursday, July 19th is our Annual Meeting, starting at 6PM in the Education Building. Club members are invited to attend this review of the club's activities for the past year, results of the recent election, the treasurer's report and a chance to meet board members for the coming year. Questions are always welcome from the floor pertaining to the club's operation and its future direction. We hope to see you there!

Indoor Pistol Range – Construction started in the Indoor Range last week by tagging the ceiling baffles and removal of the soundproofing along both walls. Eventually, with the help of volunteers, items deemed salvageable such as tables, chairs and storage cabinets will be removed and stored temporarily in weather-protected bins alongside the Education Building. The wall between the range and front door will be torn down and reconfigured for better usage at a later date. It was determined several months ago that the floor had been poured over 50 plus years ago without re-bar and could not be saved. With the help of a grant from ODFW, along with a lot of sweat and tears, we hope to have this project completed before the end of July if all goes well.

Election – Ballots for the election of board members were mailed before July 2, 2018. When you receive your ballot, make sure you mark each candidate you wish to vote for. Fold and place in the envelope provided and seal. Plainly print your name in the space provided and sign before mailing. They are considered "Secret Ballots", and as such, must be signed. Ballots must be returned and postmarked no later than 5 pm on July 13, 2018 to be eligible.

JUNE DEFENSIVE PISTOL

Larrie Fuhriman - 541.802.3717

Defensive Pistol had a great shoot on June 2. The weather was great and we had a good turn out of 32 shooters. We had 5 scenarios, one being a skills drill; another was for pistol or shotgun and the other 3 for handguns only. Everyone that participated had a good time.

We will shoot again on July 7 and will have a carbine or pistol scenario along with a skills drill and 3 pistol only scenarios. Come out and get some practice with your defensive handgun or carbine with us. We start sign ups at 8am, mandatory safety briefing at 8:45 and shoot at 9:00am. We are usually done by noon and as always, our shoots are non-competitive and designed to give good practice with your defensive firearm. OREGON STATE CHAMPIONS

Earl Skonberg – 541.229.2700

Five members of the Roseburg Rod & Gun Club competed in the 2018 Oregon State Trapshooting Championships held at the Hillsboro Trap & Skeet Club June 14-17, 2018. This week-long competition, sponsored by the Pacific International Trap Association, provides individuals and teams a chance to compete for various class trophies and to determine our state champions. One event in particular is the Team Competition, which began in 2013 and won by a different club since its inception.

Teams are comprised of five shooters, each representing their own class and complete separately in 100 handicap target events. The five scores are then combined to determine the Team Champions who are awarded a roving trophy along with bragging rights for the coming year. This year; Daro Handy, John Backen, Mike Healy, Sam Healy (grandson) and Bill Bayliss, represented our club and walked away with first place - beating eight other teams by six targets and a total score of 934...and large smiles on their faces.
