Gun & Knife Show

Our gun show was another great success. We sold over 265 tables and had over 2200 attendees through the door. With the change in our ticket price to \$7.00 for the weekend, it appears a lot of people came back on Sunday.

Thanks to all the volunteers for their help.

Indoor Pistol Range

Work continues removing the old floor as you can see from the pile of rubble next to the parking lot. The new floor will be poured soon. Construction of a new inner wall is planned.

After that is completed, we can start re-installing the sound –proofing. We will get try to keep every one informed as we move forward.

Hunter Education

Drew Munson who runs our Hunter Ed program is looking for some help. The program (which runs monthly through the year for kids that are learning gun safety and allows them to qualify for an Oregon Hunting License) is short on Instructors.

Drew is looking for volunteers who can spend at least one day a month supporting this valuable program. Call Drew if you have an interest and would like to help the club by supporting this program.

JANUARY CAST BULLET MATCH

Mel Harris – 541.637.8444

We had 7 shooters for the registered January match. A couple of last minute emergencies dropped the original signed up shooters from 9 to 7. Shooters from two classes participated. Scores were very close with Chuck Allen shooting in the Heavy Class taking the 5 shot groups, Mel Harris had a very nice .473 group winning the 10 shot discipline with his new Miller DeHaas falling block rifle in the Plain Base Class, and Rick Parra took the score match with a dandy 199- 8x. This was Rick's first win at our range and the first out of town winner in any event since we started the matches. We had shooters from Medford, Roseburg, Sutherlin, Portland and Springfield. Our thanks to Chuck Jones who came south from Harrisburg to score the match for us.

Next match, weather permitting, is Saturday, March 23rd. We start shooting at 8 AM sign up at 7 AM. If you have questions about what we do or additional information, please do not hesitate to give me a call.

Defensive Pistol Program

Larrie Fuhriman - 541.802.3717

The Defensive Pistol program is gearing up to start on April 6th. We will be shooting on the 1st Saturday of every month April through October. We begin registration at 8am and have a mandatory safety briefing at 8:45am, then begin shooting at 9am. The fee is \$10 for adults, minors must be accompanied by a parent and shoot free.

We operate a cold range, so when you arrive, please make sure that there is no ammunition or magazines in your firearm, that it is in a holster, case, or box and that any long guns have the actions open and are in a case if you have one.

We had a very good season last year and look forward to a great season this year. Our shoots are designed for those who carry concealed or have firearms in the home for defensive purposes. We shoot 5 scenarios each month based on situations that we might find ourselves in. We are not competitive or timed, but are geared toward practice and familiarization with our firearms and are open to anyone from novice to expert. We are open to both club members and the general public. Come on out and get some practice with us.

For more information go to our website at roseburgdefensivepistol.com. There you will find registration information, schedules, firearm and ammunition requirements and more. Hope to see you there.
