## **CLUB UPDATES**

**EARL SKONBERG – 541.229.2700**

### **Membership & Election Ballots**

Membership renewals for the year (2019/2020) will be in the mail by June 1, 2019 along with your ballot to elect board members. Membership fees will remain at \$96 and for those that do not renew by the June 30th deadline, will not be eligible to vote in the election. Ballots must be signed and received by the club on or before July 11, 2019 to be counted.

### **Election of Board Members**

Club members who wish to be considered for a position on the Board of Directors must mail in their petition or letter requesting to be added to the Ballot by May 7, 2019. Each petition must contain signatures of 20 club members to be valid.

Mail your request to:

Roseburg Rod & Gun Club  
Nominating Committee  
PO Box 1098  
Winchester, OR 97495

### **Annual Meeting**

The July board meeting is rescheduled to Thursday, July 18, 2019 at 6:00 PM in the Education Building. Club members are invited to attend in our annual review of clubs activities, the treasurer's report, and a chance to meet your board members for the coming year. Questions are always welcome from the floor pertaining to the clubs operation and future direction. Hope to see you there!

### **Burn Pile**

The burn pile located between the Rifle and Outdoor Pistol Ranges has recently become a dumping ground for non-burnable materials. The burn pile is for club use only. Members should not bring their trash for disposal. Items such as PVC piping, metal stovepipes and other non-combustibles have been showing up and must stop. Anyone caught leaving trash will have their membership suspended and gate code turned off for three months. This also includes the trash barrels across from the Caretakers residence. Trash Bins are provided for removal of club material ONLY. Club policy reminds everyone that we are not a public dumping station.

Thank You!

## Recent Snow Storm

I am sure most of you are well aware of the damage incurred to our trees from the recent snow storm. Members who would like to cut their own "free" firewood are welcome, but must first sign a Liability Waiver with the Caretaker before cutting. Scott will direct you to specific areas we need cleaned up first and how we want scrap-piled. We do not want anyone getting hurt during this process so please be extremely careful.

## Indoor Pistol Range

The old floor has been removed and a new floor poured and sealed. Doors will receive new seals. A new wall being constructed between the range and storage area is almost complete. Eventually we will need volunteers to assist with the removal of the debris outside to be hauled to the lower area behind Bay #6. If you wish to volunteer, call Kerry Boak at (541) 530-2337 to get on his list of helpers.

## February Rimfire Match

**Wes Jackson - 541.784.5041**

There were five shooters at the March Bench Rest match. At 100 yds., three of them were able to get a perfect 250, with Jim Stipe in first place with 22Xs, Whitey Williams in second with 13Xs and Buck Williams in third with 9Xs. At 200 yds., Wes Jackson was the only one with a perfect 250 plus 7Xs. Jim Stipe was second with 248-5Xs, third was Buck Williams with 247-5Xs. Final results were: Jim Stipe first with 498-27Xs, Wes Jackson second with 498-21Xs and Buck Williams third with 497-14Xs. The next match will be on April 21st. Sign in and set up is at 8:00 a.m. with the match starting at 8:30 a.m.

<b>NAME</b>	<b>CALIBER</b>	<b>50 YDS</b>	<b>75 YDS</b>	<b>TOTAL</b>
1. Jim Stipe	6PPC	250-22Xs	248-05Xs	498-27Xs
2. Wes Jackson	6PPC	248-14Xs	250-07Xs	498-21Xs
3. Buck Williams	30BR	250-09Xs	247-05Xs	497-14Xs
4. Whitey Williams	30BR	250-13Xs	244-04Xs	494-17Xs
5. Ron Elliott DNF				

## **Cast Bullet Matches**

Due to lack of shooters there were no cast bullet matches in February or March. Next match is scheduled for April 27th.

## **Umpqua River**

Conditions : Right now it looks like the river might be in good shape this weekend. Most anglers use a pink Spin-n-Glo and maybe some eggs for plunking, which can be good when the river is high and turbid.

North - Steelhead fishing should be good and recent reports have anglers catching a few. The river should be in shape for the weekend and there should be lots of fish in the river.

South - The river should be in shape for the weekend. Lots of hatchery fish have been reported this year. Anglers were doing well in the upper sections of the South around Canyonville this past week.
