Sight 'N Days

Due to our concern for the health and safety of the clubs Range Officers, it was decided to cancel this year's event due to the COVID-19 virus.

2021 Gun & Knife Show

The September Gun & Knife Show appeared to be another success after being shut down for over a year and half because of the virus and state mandates. Despite the weekend rains, we sold 180 vendor tables and saw a total 1856 eager customers seeking bargains coming through the doors. Almost all vendors indicated they did well and were ready to sign up for the next show. If all goes well, our next show will be January 29th and 30th, 2022.

Cowboy Action

Neal Itzkowitz 541.784.8610

Our last Cowboy Action Shooting (CAS) Match this year will be October 24th. It's always the fourth Sunday of the month. We start at 9am with a shooting of \$10 for registration.

We welcome new shooters, men, women and children (12 and older) who are interested in this old western shooting sport. Each cowboy will have 2 single action pistols, a lever action rifle and a shotgun, all of which would be pre-1900 reproductions. We shoot in .45lc, .38 and .22 calibers. If you are interested in seeing what we are about and would like to shoot a stage with us (or the whole match) bring your own ammunition and we'll provide the guns. We guarantee it will put a big grin on your face. CAS is a friendly competition event that emphasizes the cowboy spirit and fun. For information, give me a call.

Defensive Pistol

Neal Itzkowitz 541.784.8610

Our program assists shooters with their gun handling and shooting skills while positioning behind cover. We design 5 scenarios with targets designated as shoot (bad guys) and no shoot (good guys).

Targets are set up behind objects so that the shooter has to move and find cover before engaging with their target(s). Defensive Pistol is a non-competitive shooting program that allows each person to go through the scenario at their own pace while being shadowed by a Range Officer to ensure safety. For more information about our program, please go to our Facebook page Roseburg Defensive Pistol.

Our last shoot for this year is October 2nd shoot and will feature 5 stages, one of which will be a rifle/carbine stage. This stage can be shot with your pistol should you not have or want to bring your long gun. We will also have more scenarios that will be compact/subcompact pistol friendly. These scenarios will have paper targets closer to the shooter and the number of targets will still, generally, be the same. Typically, on each day we shoot less than 100 rounds. Please bring your eye and ear protection and your guns, unloaded, magazine out of the gun and in a holster, box or bag.

Registration is between 8am-8:30am with a mandatory safety meeting at 8:45am. The fee is \$10/shooter and those under 18 are free. If you would like to show up at 7am to help set up the scenarios, then the fee is waived.
