TRAP

Barbara Desch - (559) 799-9714

Saturday October 16, 2021, Trap held a Father and Son shoot for The Father's House Church in Sutherland. We had 20 shooters of various age and experience. Their scores ranged from 21 out 25 to

3 out of 25. Everyone cheered each other on and enjoyed their time together shooting guns and breaking targets. We may get a few new shooters to the Club as well! We look forward to their return to the Club!

Special thanks to our volunteers for their time, scoring, loading traps, and keeping everyone safe. Becky Myer, Jim Jackson, and Dave Frickes - Great job!

JUNIOR RIFLE

Ralph Klein - (541) 459-9517

Competition is generally held on the 3rd Saturday of the month competing against Grants Pass & Eugene. If anyone would like to assist with coaching, come on out, no experience required.

Cowboy Action

Neal Itzkowitz (541) 784-8610

Our last Cowboy Action Shooting (CAS) Match for this 2021 was October 24th. It's always the fourth Sunday of the month between April and October every year. We look forward to seeing you in 2022.

We welcome new shooters, men, women and children (12 and older) who are interested in this olde western shooting sport. Each cowboy will have 2 single action pistols, a lever action rifle and a shotgun, all of which would be pre-1900 reproductions. We shoot in .45lc, .38 and .22 calibers. If you are interested in seeing what we are about and would like to shoot a stage with us (or the whole match) bring your own ammunition and we'll provide the guns. We guarantee it will make you sit taller in the saddle. CAS is a friendly competition event that emphasizes the cowboy spirit and fun.

Defensive Pistol

Neal Itzkowitz (541) 784-8610.

The season's last Defensive Pistol program on October 2nd had to be cancelled at the last minute. Two nights prior I had stepped on the raised edge of the pavement while walking my dog at night and broke my ankle. It was most unfortunate and disappointing to say the least. I am healing and it will be a 2 to 3-month process for my full recovery. I am able to hobble about on crutches but mostly I am getting around on a knee scooter.
