***Oregon Measure 114 Update - February 9: The Oregon Supreme Court declined to exercise authority (rule) on the Harney case. The Opinion cites:***

" ... resolution is underway in the trial court; our only determination today is that now is not an appropriate time to exercise our authority in mandamus in connection with the trial court's temporary and preliminary rulings. The petition for a writ of mandamus is denied without prejudice. The motion for stay is dismissed as moot without prejudice."

### **What this means:**

The Oregon Supreme Court made it clear that this decision would not prevent the court from hearing on this case in the future but that the trial needs to complete before the Supreme court's authority is used.

The Harney County decision covers both the (PTP) permit to purchase and the magazine ban. Judge Raschio clearly saw through the baseless claims and arguments presented by the state and ruled in favor of the plaintiffs (and you).

### **What's next?**

Our Federal trial is still on track for February 22-24, 2023. Since our last update amicus briefs have been filed in opposition to BM114. Notably, a recent brief was submitted by the National Police Association in opposition to BM114. Briefs in favor were to be submitted by 2/10/2023. You will undoubtedly see media coverage by the proponents and supporters of BM114 in the coming days leading up to the trial. We, however, will focus on presenting our solid case that BM114 should not exist in its entirety.

***BM114 is on HOLD – Federal and State cases will both go to full trial.***

With the decision this morning by the Oregon Supreme Court not to intervene in the State case, Judge Immergut as cancelled the Feb 22-24 federal case hearings to address the topic of preliminary injunctions against BM114. Instead, the Federal cases will move to full trial (as will the State case) at a time to be determined (possibly May-June). In the meantime, BM114 is held by the previous Harney court decision.

***February Gun & Knife Show-*** The show held February 18 & 19, 2023 was another success. With Measure 114 still tied up in the courts, and no solution in sight, we decided to go-ahead and host another show. At last count, we sold 143 vendor tables that drew 1600 plus attendees through the gate on Saturday. The September show is in question at this time.
